

Welcome to the REIX Blog

Welcome to the first in a series of regular blog posts that will keep you in the know!

The blog posts are part of REIX's commitment to connect with you – our subscribers – more frequently, highlighting our services and expertise and meeting our goal of helping real estate industry professionals across Alberta and Saskatchewan.

Blogs will be short, informative and posted on the website, to Facebook and sent directly to your inbox bimonthly. They'll also cover a range of topics, including:

- Common claims and how to avoid them
- Why supporting rookie realtors is good for everyone
- Best practice industry tips

We know you're busy, so we promise to keep the communications to a minimum. However, we love hearing your thoughts, feedback and suggestions so please feel free to [get in touch with us](#) anytime.

30th Anniversary

This year, REIX is celebrating its 30th anniversary, so we'll also be updating you on the different ways we're marking the occasion (including a special celebration this fall), along with REIX profiles, stories and throwbacks. Do you remember what you were doing in 1991?

Website

If you visit the [REIX website](#), you may notice a few changes there, too. The site has been updated and streamlined, making it easier to access with only the Claims area requiring a password (the password remains **insurance**).

Facebook

Plus, we have a [new Facebook page](#), so be sure to Like and Follow us to stay up to date on our posts, which will include links to the blog, videos, upcoming events and other industry news.
